

15 July 2021

Dear members of the Bethany Christian Care family,

COVID UPDATE - #18/2021

This morning the Premier and Chief Health Officer advised there are three new locally acquired cases, and that existing restrictions in south-east Queensland will now continue until 6am Friday 23 July 2021.

For the **general community** this means wearing masks outside of the home.

For our **aged care facilities** this means that the current visiting restrictions will continue until at least 6am Friday 23 July. This means general visitors will not be permitted, residents may only leave for certain reasons, and there is an increased use of PPE within aged care facilities.

I understand that this will be a big disappointment for many who were looking forward to seeing their family and friends in aged care. Please be assured that their care and welfare are our highest priority.

I would like to encourage you to continue to keep in touch with your loved one through the ways outlined in my previous letter, including booking video calls, emails and telephone calls. You will also be able to drop off personal items in the plastic containers in the front of our reception areas.

Sincerely,

Rohan Reid
CEO
