

22 August 2020

Dear members of the Bethany Christian Care Family

COVID-19 UPDATE – IMMEDIATE LOCK-DOWN

Late last night we were directed to go into lock-down due to the potential for community transmission connected to the latest positive COVID case.

This lock-down is not related to any known or suspected cases at Bethany Christian Care and applies to the Metro North, Metro South and West Moreton health areas.

At this stage we do not have any information about how long this lock-down will be apply. We will advise you as soon as we know.

We appreciate that this has come at short notice and that many of you will be disappointed that your visit or outing has been cancelled. Our clinical teams will contact residents and representatives about essential outings for medical appointments.

From Monday, we will be increasing access to virtual visiting via Skype or Zoom.

Thank you for support and understanding at this difficult time.

Kind regards,

Rohan Reid
CEO
